Created by SimFox as the name implies, this Day&Nite mod makes the changes in natural light more noticeable, darkening substantially at night and looking even brighter and more vivid during the day... The SC4Terraformer was made by SC4Devotion user Woungaine to simplify creating custom-made regions where to start your cities.

5 SimPeg Agricultural Mod (SPAM)Vanilla SimCity4 treats agriculture and all related structures as a temporary step towards a bustling industrialized metropolis, making them utterly unsustainable in the long run.

Easily transition from traditional to digital art and cover your canvas with thick oils, dripping watercolors and many.
